

ASCE
Southeast Michigan Branch

Young Civil Engineer of the Year Award

This award is to recognize the younger members of the Branch for their continuing and active service to the branch and the profession. The person, or persons nominated should be active members of the ASCE Southeast Branch of the Michigan Section and meet the guidelines listed below:

- An individual or group of individuals may submit nominations. All candidates must be nominated through the ASCE SE Branch.
- A narrative describing the member's professional service and service to the Southeast MI Branch shall be provided (as applicable). Information should be as complete and accurate as possible.
- The candidate civil engineer must be living at the time of his/her nomination and should be an active member of the Southeast Branch of the Michigan Section to be eligible for the award.
- A civil engineer who has moved out of state (or the country) may still be nominated for service during his/her residency in the Southeast Branch.
- Active members of the Board of Directors shall not be eligible for the award.
- The candidate shall be 35 years of age or less as of the date of the Annual Meeting (May 9, 2009)
- A color slide or .jpg computer file of each nominee would be appreciated for use at the awards dinner press release.

In order to be eligible for the Michigan Section Awards, nominations must first be submitted to the SE Branch. Award nominations must be received by March 31, 2010
