The 2006 Annual Meeting has been planned keeping civil engineers and the entire family in mind. Our special programs and events have been designed to allow working engineers and their families a chance to get-away-from-it-all, gain professional development hours, network with colleagues and enjoy beautiful Bay City together. **Please register to attend today!**

In addition to the many fun events we have planned, please take time and go to [www.downtownbaycity.com](http://www.downtownbaycity.com) for additional fun things for families to see and do while you're there.
