Board Meetings

Board meetings are held monthly and are tentatively scheduled for the first Thursday of each month. The Board meets at 7:00 a.m. at Nellos Restaurant in Royal Oak on 25994 Woodward Avenue, just north of I-696. All members are welcome to attend the Board meetings.

The April Board Meeting was held on Thursday, April 1, 2004. The last meeting for the 2003/2004 year was held on Thursday, May 6, 2004.

This is posing to be a busy year for meetings. Planning of fall 2004 meeting has begun and several that have been in various stages of development appear to be on deck for the start of the 2004/2005 program year.

The Diversity committee is in the midst of planning to send a high school student to a summer program (1-2 week) at a program being offered by U of M. The student is selected by a local supporting organization.

Website

The Branch has its own website and name that has been secured for the next ten years.

ASCE Southeast Michigan branch website is up and running at:

www.ascesoutheast.org

and also ASCE National's website at:

<http://branches.asce.org/semichigan/index.htm>

These websites includes the latest newsletter and program flyers. Our goal is to go to paperless communication with the website as our main vehicle to disseminate branch information. *Check it out!!*

Upcoming Programs and Events

Technical Presentations

There are presentations scheduled for this year which include the following:

1. Annual CYM Scholarship Golf Event (June)

Watch the website and the newsletter for details on this program and possibly others as they are being finalized.

Board Elections for Southeast Branch

Congratulations to Matt Bacon the new Director on the Southeast Branch Board.

Farewell to a Friend ASCE

This year ended with the sudden loss of a real friend and hero of ASCE, Franklin Meyer, P.E. Frank was a long time friend and acquaintance. He was a mentor to many of us that have served in elected and committee positions with ASCE. He has tirelessly worked and supported ASCE and helped to keep us all on track. He will be sorely missed by all who have had the opportunity to know and work with him.

Good Bye Frank!
